126 YEARS
IN THE MAKING

The Godrej story began in 1897, with the manufacturing of locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in a suburb of Mumbai, we've reached homes, offices, industries, and the hearts of millions of people in India, and around the world. With a proud tradition of many firsts, we find ourselves at work every day, building on the foundation of trust that was laid 126 years ago.
